5) The Dy. Comr has sent up a list of jewels furnished by the Palace. This list does not specify any specific jewel, but gives in general terms the jewels so presented to the temple according to the Sanad of Vikrama Samvatsara when His late Highness is said to have visited Nidipi.

The late Jr. Secretary has stated that it is not possible to specify what jewels were presented by the late Maharaja. 7) In his minutes dt 31-5-1910, the late member Mr. H. V. Nanjundayya has remarked that the visit of our officers to Nidhi is of some use to ensure that the large sum paid yearly is properly spent in the temple, that we are not in a position to prove what jewels exactly were presented by the Maharaja or show that any power of supervision in respect of them was reserved, and that when presented, they merged in the corpus of the temple proper, and that Govt cannot insist on exercising any control over their disposal now. and added that it was useless to attempt to assume any control now. 8) The Jewels presented by His late Highness Sir Krishnaraja Wodeyar Bahadur Cannot now be specified nor has the Palace any account of them. The visit from Govt. Officers to Udipi to inspect the Jewels does not seem to serve any useful purpose. This inspection may perhaps be dispensed with. It would appear to be sufficient if the Asst. Comr. or Amildar be deputed to go to Udipi once a year to see whether the large cash grant we are giving from the state is properly utilised.

9) Further a certain % of sanctity is attached to the Jewels worn by deities and the temple authorities will resist perhaps also them being handled by others than the Parupatyas Swamis who have charge of the temple for 2 years at a time

10) The subject of the visit of the Shemoga

Mr A. Subrahmanya Iyer's note in file

by the Members of the Mahalla in 1913,
the member however, said that in the Jewels
an inspection by one of
the District Officers might be allowed but
that if any Officer went on duty more
than once a year to Guruvayur, his
claims to T.A. should be disallowed.
The utility or otherwise of such an

their Annual inspection was reopened
again in 1922 and it was ordered

It was also ordered that the jewels found missing by the Dy Com^r at the time of his previous inspection viz the April 1928 shall be (or) set right before the next Paryaya. It may be noted that this list is not an exclusive Mysore list, but a list of all the jewels belonging to the temple the [illegible] by the reports of the Dy Com^r dated 14th April 1923 and 2nd December 1924

temple authorities themselves have no separate list of Mysore jewels. The Accountant General recommends that the Mysore jewels may be indicated by the symbol Gandabherunda. But the question is Can we do it unless we are sure of the jewels presented by our Sovereigns! It would be hazardous to accept a list on mere surmises based on the make, shape & style are perfect in of jewels as indicated in the Dy Comrs letter of 7th August 87. It seems therefore not feasible to make a list of Mysore jewel exclusives.

15) Then the next Question alternative would be to inspect all the jewels. This is recommended by the Dy Comr. But it would be of very doubtful validity, as observed by the Asst Comr, to undertake the extra Territorial work. The temple authorities may object with the British Govt. may as well object. It may also, as anticipated by the Asst Comr, that in a further enquiry about the jewels, our officers might be cited as witnesses.

16) Apart from this Controversial question it is also a question whether we have

auspicion of jewels, ~~whether~~ ~~or~~ other jewels by the Mysore Sovereign in a temple existing outside our territory. The institution is not in our control, ~~nor~~ is ~~there any stipulation~~ nor is there any endorsee of such stipulation made at the time of the grant of the jewels. The jewels were gifted unconditionally, and it is left to the best interests of the temple authorities to maintain them & conserve them etc. It seems therefore incorrect to insist upon the inspection of the jewels by our officers. If this view is accepted the order of 7th June 1923 requires a change. Even as regards the utilisation of the Cash grant given by this Govt., it is not treated as a separate Entity, but merged in the funds of the Mutt. It is therefore, not possible either for an inspecting officer to say that the Cash grant is well utilised or not. It is well known that the Sevas and Sankalpams etc are carried out on an elaborate scale every year in Tirupati, and in the large Mutts that are spread here, the grant of the Mysore Govt is merged. It is therefore a question whether the Dy Com^r, Shimoga District, should make a formal inspection every year to say the Sevas are satisfactorily performed from the grant in question. An absolute ~~of~~ Total Annual Expenditure may be asked to be sent to the Dy Com^r ~~to~~ as well as a moral tone

SUBJECT.

Letter No.D.O.87 of 23-24 dated 10th April 1924 from the Deputy Commissioner, Shimoga District, to the Muzrai Commissioner in Mysore.

I have the honour to state that before taking up the Huzur Jamabandy of the Thirthahalli Taluk, I proceeded to Udipi on the 23rd January 1924, in connection with the inspection of the jewels presented to the Sri Krishna Devaru temple at Udipi by H.H. the late Sri Krishnaraj Wadiyar Bahadur III and other sovereigns of Mysore.

2. Out of the eight mutts attached to the temple of Sri Krishna Devaru the Swamis whereof perform the puja services in the temple by turns for a period oftwo years, the Swami of the Adhamaru Matt has now succeeded to the Peeta and is styled as the 'Paryaya' Swamy.

3. The inspection of the jewels was commenced by me on the 24th and concluded on the 28th January 1924. The inspection could not be conducted prior to the Paryaya as recently laid down by Government in their No.2958-9/Muz.287-22-6 dated 7th June 1923 for the reason that very few jewels are transferred to the custody of the 'Paryaya' Swamy by the out-going Swami. In fact the process of transfer takes place for some months as each jewel has to be weighed and descriptions carefully noted in the register.

I was also on a short leave in continuation of Christmas Holidays.

The defects noticed by me during the last year's inspection have not been attended to and rectified this year as per instructions conveyed. During my interview with the Swamigalu, he expressed that unless all the eight Swamis joined togetherand attended to the repairing work of the Jewels the work could not be possibly got through satisfactorily.

It is ascertained that the Puja Services are regularly performed by the Swami in accordance with the usage and the grants made by the Mysore Government. I witnessed some of the Pujas performed on the 27th January 1924. The Paryaya Swami has been evincing a lot of interest in the affairs of the Mutt. A special TEPPOTSAVA was

was arranged by the courtesy of the Swamigalu to ena witness the same.

An anthoritative list of jewellery has been insisted upon and maintained in the temple and needful instructions have been issued in the matter of handing over charge in accordance with the list. Needful precautions will be taken in this behalf and the directions of Government strictly adhered to. In the matter of confining the inspection by Mysore Officers to articles granted by by the Sovereigns of Mysore State, I beg to state that I am getting a revised list compiled with only such entries of jeweller and other articles as pertain to the Mysore State and shall as instructed confine the inspection in future to this register. I shall submit a copy of the said revised list in due course for the information of Government.

A copy of the Government Order has been communicated to the Agent of the Mutt and the Sub Division Officer and the Amildar have been instructed to insist on needful action being taken on the lines indicated above. A further report will be submitted in due course in consultation with the present presiding Swami in regard to the jewels found missing and the defects pointed out during the last inspection after he completely assumes charge of all Jewellery and other articles from his predecessor Swami.

With reference to your letter No.1619/M.F.280-23-2 dated -- the 6th May 1924 requesting to send up an authoritative list of jewels of the Sri Krishnadevaru temple at Udapi, I have the honor to submit herewith copy of letter No.H.C.142/Rev.24-25 dated the 2nd instant -- received from the Deputy Commissioner Shimoga District enclosing a -- list of jewels received from the Paryaya Swamigalu (which is herewith forwarded) and to state that it is reported that the public and the Swamigalu are in favour of the officers of the State inspecting all the jewels of the temple irrespective of the grants being either by the devotees or the Maharajas of Mysore.

This annual inspection of all the jewels is recommended by the Deputy Commissioner but this extra territorial work cannot be countenanced. ~~Moreover~~ Moreover should there be any future litigation in respect of -- these other jewels, then our officers may be cited as witnesses and -- there will be all the worry and harassment of attending courts etc.,

Letter No.H.C.142/Rev.24-25 dated 2nd December 1924 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in --- Mysore. ----

"Referring to your letter No.C.1110/23-24 dated the 10th May 1924 forwarding copy of letter from the Revenue Secretary to Government, in the matter of insisting upon the Mutt authorities to prepare an authoritative list of jewels belonging to the Mysore State, in the temple of Sri Krishna Devaru at Udipi, I have the honor to state that it is not possible to obtain a list of the kind as the Mutt maintains a consolidated list of all the jewels belonging to the deity presented by the several Devotees of the Matt from time to time. The inspection of the temple jewels conducted by the Mysore officers will be with reference to the jewels ~~xxxxxxxxxxx~~ ~~the~~ Mysore bearing the insignia "Gandabherunda". That is even now being done. The present Paryaya Swamigalu was requested to send up a list of jewels handed over to him by the previous Swamigalu and the same since -- received, is herewith submitted for perusal and kind return.

2. An authorised list sent in the time of Mr. M.S.Narayana Rao as -- also the reply received from the Palace mentioning the number and description of the jewels presented by the Late Highness Krishna Raj Wadiar are enclosed for reference. This list is not complete. The public as well as the Swami were in favour of the examination of all the jewels of the temple annually by the officers of the Durbar and I think this will have a wholesome effect and check on the Temple servants.

3. As regards the missing jewels as per last para of the letter under reply, I have to say that a box containing some miscellaneous and loose jewels was shown to me during my last inspection saying that the jewels were not missing but that the wornout jewels are kept in this box. This might be the case, but as it was not possible to make out whether a --- particular part belonged to a particular ornament from which something was missing, I asked the Mutt authorities that all the eight Swamigalus might co-operate and see that the worn out articles are set right as early as possible. ORDER No. 1274-5—MUZ. 280-23-4, DATED 28TH FEBRUARY 1925.

Though there was no general order of Government authorising the periodical inspection of the Sri Krishna Devaru Temple at Udipi by the Deputy Commissioner or other District Officers of Shimoga, it was usual for them for some years past to visit Udipi annually with the object of examining and checking the jewels in the temple and seeing that the services in the temple are properly conducted. On the inspection report of the Deputy Commissioner, Shimoga, received through the Muzrai Commissioner in January 1923, Government in their Order No 2958-9, dated 7th June 1923 read above, directed an annual inspection of the temple jewels by the Deputy Commissioner or an Assistant Commissioner deputed by him for the purpose, the inspection being restricted to articles granted to the temple by the Sovereigns of the Mysore State and an authoritative list of such articles was ordered to be prepared for the purpose. It is now reported that no authentic list of jewels presented to the Sri Krishna Devaru Temple by the Mysore Royal House is forthcoming. The Deputy Commissioner suggests that in the circumstances all the jewels of the temple may be inspected by the Officers of the State as agreed to by the Paryaya Swamigalu of Udipi, but the Muzrai Commissioner is not in favour of this extra territorial work being undertaken by the Officers of the Mysore State. In view of the fact that particulars of jewels presented to the temple by the Mysore Royal Family are not available, and that the annual cash grant made to the temple by the Mysore Government is not meant for any particular services but is merged in the general receipts of the temple from which all the services in the institution are undertaken, Government agreeing with the Muzrai Commissioner considers that no useful purpose will be served by regular annual visits of the District Officers to the temple. They therefore direct that such visits need not be undertaken by the Deputy Commissioner or any of the District Officers in future, except with the previous sanction of Government.

Sir,

In continuation of this office letter No.C.1110/23-24 dated the 16th December 1924 submitting a list of jewels of Sri Krishnadevaru temple at Udupi received from the Deputy Commissioner Shimoga District, I have the honor to forward herewith for the kind perusal of Government copy of letter No.H.C.142/24-25 dated the 18th February 1925 received from the Deputy Commissioner Shimoga District enclosing an exhaustive list of jewels presented by the former sovereigns of the State and requesting to return the copy of the list of Jewels -- submitted with this office letter referred to above. The Deputy -- Commissioner states that no item has been omitted in the present --- list.

It is seen from the list now received that Jewels Serial Nos. 6 and 20 are clearly those presented by private individuals.

The list is also enclosed.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.H.C.142/24-25 dated 15/18th February 1925 from the Deputy Commissioner, Shimoga District to the Muzrai Commissioner in Mysore.

"In continuation of this office letter No.H.C.142/24-25 dated 2nd December 1924, regarding the preparation and submission of an authoritative list of jewels presented by the Royal House of Mysore, to Sri Krishna Devaru Temple at Udipi, I have the honor to state as follows:--

2. In my double capacity as Jamabandy Officer of the Thirthahalli Taluk and the Deputy Commissioner of the District, I held the detailed inspection of the jewels with a view, as in the previous year, to get up an authoritative list as desired by the Government. At present, no such list was maintained in the Palace, nor a copy was furnished to the Government. The task was by no means easy, as the meagre ---- information received from the Palance contained only the description of five jewels presented by the late Sri Krishna Raja Wodayer of Mysore whereas the temple received gifts on several occasions in the shape of jewels and dothis and other articles.

3. Some attempt was made by my predecessors for compiling a list and the first list was prepared by Mr. M. Narayana Rao, but this list does not contain more than five items. The chief test which I applied to identify a jewel out of a heap of costly jewels whether it could have been presented by the Darbar, was to examine if it had the Mysore Royal coat of arms i.e., (ಸಿಂಹಲಾಂಛನ). I also consulted the -- "Dwarapalaks" who have been handling the temple jewels for generations and also the old officials in the service of the matts before I decided whether a particular jewel was the presentation from the Darbar. I made use of the list sent by the Huzur Secretary and also all information that was available in the record. As I had inspected the jewels in the previous two years, I had become familiar with most of the --- important items and I could also detect if there was any deterioration during the interval.

4. The list which has been prepared by me and which forms an ----- enclosure to this letter contains 20 items. It can be stated with certainty that it has not omitted any item presented by the rulers of the State.

5. The copy of the list of jewels obtained from the Paryaya -- Swamigalu forwarded with this office letter referred to above may kindly be returned early."
